

MY DIARY INFO

This information can be found in the Diary that, for twelve years, on the first day of school, the Comitato Genitori Copernico distributes, free of charge, to all boys and girls and to all primary and secondary teachers, the unique school Diary

We decided to translate the information in different languages to help the new families

The Comitato Genitori Copernico is a parents' association that has been helping and supporting the school since 2012: in all these years, we have implemented more than 200 projects that you can find on our official web site www.comitatogenitoricopernico.it

Our Diary is a small a small symbol of membership to our Istituto Copernico, an expression of cooperation between the School, Students and Families. We would like to thank all the sponsors that helped us to realize this important project. A special thank has to be given to the artist Norina Dodero, author of the cover of the Diary 2024/2025!

Consiglio di Istituto Cdl. School board

The School Board (Cdl) is the “board of directors” of the School. In schools with more than 500 students, there are 19 members: 8 teachers' representatives, 8 parents' representatives, 2 ATA representatives, and the headmaster. The School Board (Cdl) is chaired by one of the 8 parents and it is renewed every 3 years through elections. The new School Board will remain in office for the three-year period 2024/2027

Circolo di Qualità – CdQ. School canteen committee

The School Canteen Committee (CdQ) is a participatory body established by the municipal administration and composed of parents of the schools of Corsico, teachers, managers of the catering service, collaborators of the Society IISG srl (which is responsible for carrying out checks in the canteen for the Municipality), Councillor with delegation of the Canteen's collective quality, municipal Manager and some Advisors.

CG Copernico

We are a group of parents who have been collaborating with the school and local associations since 2012 to carry out civil, cultural and social promotion initiatives.

We would like call on all the people who think, like we do, that working together, networking, creating with responsibility and trust, is the right way to go in order to create collaboration between schools and families.

The Importance of the parents inside the school, for us, is summarised in six words: participation, presence, co-responsibility, cooperation, collaboration and educational pact.

Projects and initiatives are all on our website: www.comitatogenitoricopernico.it

If you want to contact us: info@comitatogenitoricopernico.it.

Parent: how can YOU help?

Union makes strength! Only with the collaboration of many parents, it has been possible to carry out so many projects. What can YOU do?

- **Get elected as class representative:** All the class representatives are linked together with the WhatsApp ICS Copernico group. We have created a serious group to coordinate all of us, give availability, solve doubts and critical issues. Talk between parents in the School Board (Cdl), CG Board, CDQ and all the representatives of 6 school complexes of our Institute. It represents a scholastic and operative group, not a friends chat.
- **Participate in the collection of supermarket vouchers**
Stamps and School Vouchers: With all the collections of the large-scale distribution, we have supported the school in supplying materials and educational equipment.
- **Decathlon Card CG Copernico**
CG Copernico accumulates Decathlon points to donate sports equipment to our Schools. It is just necessary to go to the reception desk in a Decathlon shop, with your membership card, and ask them to link it **to the School Card in the name of CG Copernico number 2091114308579**. From that moment on you will help us with every purchase! It's easy, free of charge and instant!
- **Official ICS Copernico T-Shirt**
CG Copernico supplies the T-Shirt with the official logo of ICS Copernico. The whole proceeds will be dedicated to different school projects of CG Copernico! Contact us for getting it!
- **Iban CG Copernico for Donations: Thank you!**
All the proceeds collected from all the initiatives and from the sponsor, go into the bank account of CG Copernico.
The Iban is **IT 02 C 08386 33030 000000 460411**
The final balance sheet is published in every meeting minute of the CG Copernico's reunion.

Decathlon School Card

Help us! Link your Decathlon membership card to **Copernico School Parents' Association Decathlon Card number 2091114308579!**

How does it work? CG Copernico will accumulate points for every single purchase done by parents (but also by teachers and friends...), who, owning a Decathlon Loyalty Card, have asked to link their personal card to the Decathlon School card of the CG Copernico.

The parent will continue, as usual, to accumulate points on his personal Decathlon Membership Card: There isn't anything to lose! It's easy, free of charge and instant!

COMITATO GENITORI COPERNICO

- *I am a parent, how can I link my Membership Decathlon Card to the School Parents' Association Decathlon Card headed to CG Copernico?*

You just need to go to the reception desk in a Decathlon shop once, with your own Membership Card and ask them to link it to the **School Card headed to CG Copernico number 2091114308579**

Cg Copernico T-Shirt

Among the projects implemented by the CG Copernico, we had the Contest "A new logo for the School", promoted by CG Copernico during the school year 2016/2017 for boys and girls of the Secondary School, in collaboration with the Arts and Technology teachers.

The winning Logo, created by the student Niccolò Gherardi, has become the official Logo of the School and it has been printed on the official T-Shirt.
